Your Career*

The KSSEP has wrapped up and students are on their way back to school. With a total of 43 jobs offered this summer through KSSEP, we are pleased that this was another successful summer. New to the program, was part-time employment offered to high school students. New business, Seasons Florist, received a high school student on a part time basis. Also new, The Mohawk Bridge Consortium employed a Construction Apprentice for 10 weeks. We wish all the best to the students in the upcoming school year.
