

ABORIGINAL VOCATIONAL TRAINING CENTER is planning two new training programs in Fall 2010 (start and end dates to be determined)

Cement finisher trade training program is a 900 hr program.(about 10 months of training during day time from 7:45 AM to 3:15 PM)

The basic pre-requisites are:

High school diploma **or** 16 years old and Secondary 3 in math and language **or** 18 years old with a GDT.

Good health, physically fit.

Bricklayer-mason trade training program is also a 900 hr program,(about 10 months of training during evening from 3:30- 10:50 PM)

The basic pre-requisites are:

High school diploma **or** 16 years old and Secondary 3 in math and language **or** 18 years old with a GDT.

Good health, physically fit.

Location for both programs: : École des métiers de la construction de Montréal
5205rue Parthenais, Montréal

Additional information for both training programs is available on website: www.cfpamc.ca

If you have the necessary pre-requisites and are interested in either program, please contact Sandra Jacco at (450) 638-4280 or via e-mail at sandra.jacco@kedc.biz
