

Subject: Entrepreneurial Training course

The Entrepreneurial Training course is for participants who want to learn more about entrepreneurship and economic development in general. The 13-week course celebrates entrepreneurship in Kahnawake through videos of local entrepreneurs and best practices in entrepreneurship, with a focus on Kahnawake.

The purpose of the course is to have participants explore entrepreneurship, and perhaps become entrepreneurs to support community development.

The topics covered include: exploring business ideas and your potential as an entrepreneur; business strategy development; business plan preparation; marketing; business operations and financing; ownership and financial statements.

This course offered by Tawatohnhi'saktha runs Monday evenings from 6:00 – 9:00 PM at Kahnawake Business Complex.
